### Additional Information

(1) Industrial visit to DELL

On 10th September 2012, students taking the subject, ECP3076 Database Systems paid a visit to Dell Company in Cyberjaya accompanied by FOE lecturer Mr. Chin Ji Jian. Upon arrival at Dell, IT Database Manager, Mr. Christopher Choo gave a talk on DBA and Oracle Database. After the Q & A section with Mr. Choo, a staff named Mr. Panneer Karthi gave a tour of the company. After a brief introduction, they were brought to the data storage room which is secured by anti-fire glass, many CCTVs and automatic shutters which will close down if there are any emergency cases. The temperature in the data storage room was set to 7 degree Celsius and it is the best temperature to keep all the data banks working efficiently. After the tour to the data storage room, a Talent Acquisition Senior, Mdm Melissa Wales gave tips on writing resumes and a brief explanation on attending interviews such as the importance of staying calm, asking questions and being brave.
